About Us

Founded in 2023, Lionhead Consultants is a dynamic Health, Safety, and Environmental (HSE) consultancy committed to creating safer and legally compliant workplaces. We provide tailored solutions including risk assessments, compliance audits, safety file development, incident investigations, occupational hygiene surveys, and on-site safety management.

We are also a trusted supplier of Personal Protective Equipment (PPE), Labour Law charts, and essential safety materials that support workplace compliance.

At **Lionhead Consultants**, we build lasting partnerships through integrity, quality service, and practical solutions — making safety not just a requirement, but a shared responsibility

Vision And Mission

Vision

Our vision is to redefine the landscape of HSE consultancy by setting new benchmarks for safety, sustainability, and operational excellence.

Mission

At **Lionhead Consultants**, our mission is to champion excellence in health, safety, and environmental stewardship. We are dedicated to empowering organizations with innovative solutions and expert guidance that elevate safety standards, foster sustainability, and ensure regulatory compliance.

OUR GOALS

Promote a Culture of Safety

To foster a proactive safety culture across all industries we serve, ensuring that health, safety, and environmental best practices are integrated into everyday operations.

Deliver High-Quality, Tailored HSE Solutions

To provide reliable, customised consultancy services and products that meet the specific compliance and safety needs of each client.

Support Compliance and Sustainability

To help organizations comply with legal and regulatory requirements while promoting long-term environmental responsibility and operational sustainability.

Marketing Objectives

Lionhead Consultants' marketing strategy is focused on building a trusted brand, reaching the right clients, and positioning our services and products as essential tools for workplace safety and compliance.

Increase Brand Awareness:

Establish Lionhead Consultants as a recognised name in the HSE industry by reaching at least 1,000 new potential clients through digital and direct marketing efforts within the next 12 months.

Generate Qualified Leads:

Acquire a minimum of 50 qualified leads per quarter through targeted outreach, online campaigns, and networking events.

Build a Loyal Client Base:

Convert at least 40% of new clients into repeat customers by offering consistent service quality, follow-up support, and value-added solutions.

Expand Market Reach

Grow our presence in at least three new sectors (e.g., education, logistics, local government) by tailoring services and marketing materials to meet their specific HSE needs.
